

# PTFE Thread Sealant Tapes

Technetics PTFE & Polymer Solutions is a recognized leader in the production of PTFE thread sealant tapes. Our technical expertise, customer focus, and customized offerings make our thread sealant tapes stand out from the others.

## MADE IN THE USA

- All of our PTFE thread sealant tapes are made in the USA

## MEETING CRITICAL REQUIREMENTS

- UL Mark of Safety
- MIL CID A-A-58092 (supersedes MIL-T-27730A)

## CUSTOM SOLUTIONS

- Custom sizes, packaging, densities & colors
- Tears cleanly & seals neatly
- Private labels available upon request

## COLOR OPTIONS

- White (industrial applications; made from virgin PTFE)
- Pink (used in plumbing & pipe fittings)
- Gray (for stainless steel pipe/fittings)
- Green (oxygen applications)
- Yellow (gas line use)

## FROM RAW MATERIAL TO FINISHED PRODUCT

- At Technetics PTFE & Polymer Solutions, we take our PTFE thread sealant tapes all the way from fine powder resin to final product and packaging

## PREMIUM HIGH DENSITY THREAD SEALANT TAPE

- Permits quick, clean sealing of male pipe threads of all sizes and eliminates the risk of system contamination common with liquid and paste sealants
- Self-lubricating quality makes joints easy to assemble and disassemble, and extends the fatigue life of sealed connections
- Virtually chemical inert, non-toxic, non-absorbent and non-flammable
- Withstands temperatures from -450°F (-240°C) to 500°F (260°C), and pressures from hard vacuum to 10,000 PSI

## DRINKING WATER THREAD SEAL

Thread seal tapes for drinking water systems and components are available upon request.

	Standard Grade (Standard Density)	Premium Grade (High Density)	Premium Grade (Full Density)	Premium Grade - Yellow (Full Density)
<b>Description</b>	The economical choice	More sealing power	Maximum sealing power. So efficient, you can use less tape	Complies with certain building codes requiring yellow, thicker, more dense tape for gas service lines
<b>Color</b>	White or colors	White or colors	White or colors	Yellow
<b>Density</b>	0.7 g/cc	1.0 g/cc	1.5 g/cc	1.5 g/cc
<b>Thickness</b>	0.0035"	0.0035"	0.0035"	0.0035"
<b>Package</b>	Plastic Spool & Shell	Plastic Spool & Shell	Plastic Spool & Shell	Plastic Spool & Shell
<b>Standard Widths &amp; Lengths</b>	1/4" x 260" 1/2" x 260" 3/4" x 260" 1" x 260"	1/4" x 520" 1/2" x 520" 3/4" x 520" 1" x 520"	1/4" x 1296" 1/2" x 1296" 3/4" x 1296" 1" x 1296"	1/4" x 1296" 1/2" x 1296" 3/4" x 1296" 1" x 1296"
<b>Quantity</b>	144 rolls per box	144 rolls per box	144 rolls per box	144 rolls per box
