

PTFE Thread Sealant Tapes

Easy to use and highly durable

Our self-lubricating PTFE thread seal tape provides quick, clean, economical sealing of male pipe threads while reducing the risk of contamination common to liquid and paste sealants. It tears cleanly and seals neatly so you can use less tape on the job.

MADE IN THE USA

- All of our PTFE thread sealant tapes are made in the USA

MEETING CRITICAL REQUIREMENTS

- UL Mark of Safety
- MIL CID A-A-58092 (supersedes MIL-T-27730A)

CUSTOM SOLUTIONS

- Custom sizes, packaging, densities & colors
- Tears cleanly & seals neatly
- Private labels available upon request

COLOR OPTIONS

- White (industrial applications; made from virgin PTFE)
- Pink (used in plumbing & pipe fittings)
- Gray (for stainless steel pipe/fittings)
- Green (oxygen applications)
- Yellow (gas line use)

FROM RAW MATERIAL TO FINISHED PRODUCT

- At Technetics PTFE & Polymer Solutions, we take our PTFE thread sealant tapes all the way from fine powder resin to final product and packaging

PREMIUM HIGH DENSITY THREAD SEALANT TAPE

- Permits quick, clean sealing of male pipe threads of all sizes and eliminates the risk of system contamination common with liquid and paste sealants
- Self-lubricating quality makes joints easy to assemble and disassemble, and extends the fatigue life of sealed connections
- Virtually chemical inert, non-toxic, non-absorbent and non-flammable
- Withstands temperatures from -450°F (-240°C) to 500°F (260°C), and pressures from hard vacuum to 10,000 PSI

DRINKING WATER THREAD SEAL

Thread seal tapes for drinking water systems and components are available upon request.

	Standard Density	High Density	Full Density	Full Density - Yellow
Description	The economical choice	More sealing power	Maximum sealing power. So efficient, you can use less tape	Complies with certain building codes requiring yellow, thicker, more dense tape for gas service lines
Color	White or colors	White or colors	White or colors	Yellow
Density	0.7 g/cc	1.0 g/cc	1.5 g/cc	1.5 g/cc
Thickness	0.0035"	0.0035"	0.0035"	0.0035"
Package	Plastic Spool & Shell	Plastic Spool & Shell	Plastic Spool & Shell	Plastic Spool & Shell
Standard Widths & Lengths	1/4" x 260" 1/2" x 260" 3/4" x 260" 1" x 260"	1/4" x 520" 1/2" x 520" 3/4" x 520" 1" x 520"	1/4" x 1296" 1/2" x 1296" 3/4" x 1296" 1" x 1296"	1/4" x 1296" 1/2" x 1296" 3/4" x 1296" 1" x 1296"
Quantity	144 rolls per box	144 rolls per box	144 rolls per box	144 rolls per box
